Innovative, forward-thinking with a great urge for learning new skills.

EDUCATION

B.Tech (Electronics and Communication Engineering)
Punjab Engineering College, Chandigarh
08/2018 - Ongoing

GPA
9.76 / 10

Class XII (CBSE)
Sri Guru Gobind Singh Collegiate Public School, Chandigarh
2017 - 2018

%
91.2

Class X (CBSE)
Shivalik Public School, Mohali
2015 - 2016

GPA
10 / 10

TECHNICAL SKILLS

C++   Data Structures and Algorithms   Git   C   Python   HTML   CSS   Javascript   JQuery

MySQL   Bootstrap

SOFT SKILLS

Problem Solving   Communication   Teamwork   Open-mindedness   Adaptability   Leadership

PROJECTS

Banking Project
Technologies used: C

Developed a platform to manage multiple users and fetch records.

Ping Pong Game
Technologies used: HTML, CSS, Javascript.

Created a responsive web based ping pong game for desktop and mobile media.

Snake Game
Technologies used: C++

Used a 2D array to save the (x,y) coordinates of each segment of the snake's body. Displayed the output by updating cursor location and took directions from keyboard input.

Quizzing Application *Technologies used: Python*	Responsible for end to end development of a 'quizzing application' in python. Identified and implemented necessary development tasks to meet project goals.
Front end of a music player *Technologies used: HTML/CSS*	Developed a responsive front end for a music player application catering towards different styles for desktop, tablets and mobile devices.
